

## How to Change Footer

Login to your wp-admin  
Go to Appearance > Editor

Choose Footer and change the links to yours.

```
<div class="clear"></div>
<div id="footer">
    <?php wp_footer(); ?>

    <p>Copyright &copy; <? echo date("Y", time()); ?> &middot; All Rights Reserved &middot; <a
href="http://www.plrweblog.com" >PLRWeblog.com</a> &middot; Powered by WordPress &middot; <?php wp_logout(); ?></p>
</div>

</div>
</body>
</html>
```

change to yours
