

CPA Stealth

Thank you for picking up a copy of this report. This report is going to show you how I make money promoting CPA Health Offers.

The health market is lucrative and millions and millions of dollars are spent on weight loss products.

There are a ton of CPA offers for the Health related market. In this report I am going to show you a powerful method I use to make money from Health related offers.

This method can easily be outsourced and can easily make you \$100 a day if done properly. The focus on this method is to promote high paying health related CPA offers that can easily generate \$100+ a day.

So what are you waiting for?

As always I am going to cut out the fluff and go straight into this method.

Market Health – Best Network for CPA Offers

Before I get into the meat of this report, the best CPA network to start promoting CPA Health offers has to be [Market Health](#).

Signing up to Market Health is pretty straight forward. All you need is a website and be prepared to answer a series of questions.

For example, if they ask you “what are your intended promotion methods” then simply state PPC, Article marketing and Social Media.

Since we are going to be avoiding paid traffic – since this method involves online FREE traffic, then you do not need to worry about this.

Once your application has been accepted you can start promoting Market Health offers.

There are lots of different Market Health offers you can promote and target. I usually go for the ones targeted towards men because not only am I pretty passionate about fitness and weight loss but I understand this market well.

Here are just a few Health related offers targeted towards men.

This is a perfect CPA offer that is aimed at men who want to build muscle. The word “Free” is important here.

This offer pays just over \$45.00 to anyone who places an order for this trial offer.

You would only need 4-5 of these sign ups a day to easily generate \$200 a day!

Here us another CPA offer that is aimed at men and pays just over \$45.00.

You can see again the use of the word "FREE" on the landing page.

I am sure you are now asking the question.

How on earth do I promote this type of CPA offer?

Good question because I was coming to that.

We are going to leverage the power of FREE short reports and offer them through niche related forums.

How do we do this?

Easy – The answer lies in PLR!

There is a ton of PLR online you can purchase, rebrand and call your own.

Here are several sites where you can buy cheap PLR reports.

<http://www.plrprivatelabelrights.com/>

<http://www.master-resale-rights.com/>

<http://www.theplrstore.com/>

<http://www.tradebit.com/>

There are a ton of PLR Material on building muscle and losing weight.

For example, for just \$9.99 you can grab this PLR report and simply brand it, change it around a bit and include your CPA affiliate link inside the report.

<http://www.theplrstore.com/muscle-building-inferno-plr-ebook-p-2575.html>

You might able to buy the same report from Tradebit for just a couple of bucks.

Do not worry. We are not going to be selling an E-book or a report but what we are going to do is simply give a 2-3 paged report away with the "secret" to building muscle and then we will provide

a solution in the report and include our CPA Affiliate link inside the report 😊

I have included an example of the type of short report you need to create in this RSO (Ragster Special Offer).

I have also included the PLR report I bought for a couple of bucks if you do not want to buy it.

In this RWO you will see that I have converted the report into a PDF and the links at the end of the report point to a clickable link (as shown below).

That is just the ICING on the cake...

If you want to know my **EXACT** Secret of Building Muscle then you can simply order your [TRIAL](#) of this superb [Creatine BOTTLE](#)

The advertisement features a muscular man on the left and a bottle of Creatine Advance Creatine in the center. The text 'SUPERCHARGE YOUR WORKOUT WITH MUSCLE ADVANCE CREATINE' is prominently displayed. A red banner at the bottom left says 'FREE Package Offer!'. To the right of the bottle, it says 'Helps Improve Strength'. At the very bottom, a black button with white text says 'CLICK HERE TO GET RIPPED'.

CLICK HERE TO GET RIPPED

Notice in the short report all you need to do is simply give some basic information about the topic and how it can help the prospect.

Then at the end of the short report, include a call to action CPA Link.

I am sure you have heard many people talk about Article marketing and CPA offers. Although, article marketing is good and effective nothing beats the power of short, FREE reports people can download and read them in their own time.

Remember, people love FREE stuff and if you can get them to read your short PDF you can easily get them to take action.

The next thing to do is set up a simple squeeze page that you will be using for this technique.

For the purposes of this RSO I have also included the exact squeeze page I use to promote these type of offers.

You can use the squeeze pages to promote ANY types of offer you wish.

**Discover My SECRET Formula I Used To
Build Insane Muscle In Just 30 Days!**

**Please Enter Your Name And Email To
Download My Report**

Enter your email address below to download your report and also to get on my
notification list to get more cool secret tips and strategies!

The squeeze page is important because this is not only going to allow you to get lots of targeted leads for your future CPA Health related offers but people will need to download your "Free" report so by including a squeeze page you can build a relationship on complete Autopilot!

This RSO has a squeeze page provided with it, the only thing you will need to do is simply paste your Autoresponder code.

Once you have set up your squeeze page the next thing you need to do is find this traffic you can

target and get them in your “funnel”. The more people that download your FREE report the more people who will sign up to your CPA link.

I would grab a cheap .info domain name or a .com domain name for your squeeze page so people know that they are going to be downloading a report from a “serious professional”.

For example, Tomsmusclesecrets.com sounds good because the name relates to a person as opposed to a “company” and people are getting tired of getting scammed in the Weight Loss niche! (Believe it or not).

The next thing to do is head over to <http://www.big-boards.com/> and browse the relevant forums we can target so people download our FREE report (which has our CPA Affiliate link embedded inside).

In the case of this example I am going to target all the forums that are targeted towards men who want to build muscle.

According to Big Boards here are all the top forums that help people “build muscle”.

The next thing to do is to go on any of these forums and create an account.

So for example, if I head over to <http://www.muscletalk.co.uk/> I am going to create an account, make an introduction and then aim to establish some sort of credibility.

You might want to outsource this part if you do not want to go ahead with this yourself.

Once you have made a few posts on your forum the next thing to do is make sure you have a signature with your FREE report link.

For example, take a look at all of these different signatures and you will get an idea as to what I mean.

if you like this article, I highly suggest you purchase [The Science and Practice of Strength Training](#)

It is a good, relatively short (way shorter than supertraining) read which goes over lots of great things.

Now imagine if your link was on there that would direct people to your Squeeze page so they can download your cool report (with your CPA Link embedded).

There are several options for you here on how you can approach this.

You can either message these people and pay them \$5.00 a month to put your link to your report on their signature or you could build your own forum credibility and get people to click on your signature.

<http://www.ironmagazineforums.com/books/>

Here is a muscle building forum that lets you post your own E-books there so people can buy them or if you want to share something you can do so.

If you are going to be messaging forum members then you might want to compose your email like this.

Hi There,

I noticed you are a regular poster on Muscle Talk Forum. I would like to make you an offer. I will donate \$5.00 a month to you if you put my URL link on your signature.

I am looking to spread the word about my latest report on building muscle and want as many people as possible to check my report out.

If you are interested please get in touch with me at Skype or you can email me at myemail@domain.com

I look forward in hearing from you.

[[Your Name]].

When it comes to donating \$5.00 always quote low or be willing to negotiate. These regular “posters” on these forums will be much more active than others and if you can get them to put your link to your squeeze page on their signature – you benefit in two ways.

1. You will be building a huge list in the Weight Loss Niche
2. Your Report can potentially be seen by hundreds and hundreds of people – thus more chance people are going to take you up on your offer at the end of the report (with your CPA Link) – This is where you make the money!

If the poster agrees to put your link then make sure you structure your signature like this.

"Free Report On How An Ex 25-Year Old Overweight, Loser Built Insane Muscle After Just 30 Days, Using A Powerful FORMULA".

"Steal My Secret FREE Report where I show you the secrets I used to build my muscle in just 1 month!"

The more creative you are with your signature then the more clicks you will get.

Outsource the process!

If you really want to outsource this process the best thing to do is hire someone to post on the required forum.

For example, take a look at this Fiverr Gig.

<http://fiverr.com/users/bremaine/gigs/do-40-posts-on-your-forum?ref=glst-g-ttl>

This guy is willing to do 40 posts on any forum of your choice.

Imagine how much time are you going to be saving?

All you do is give this guy the topics you want to create on the forum and the other information you want to use.

There are lots of other gigs on Fiverr you can use but ideally you should hire someone from the US or UK or Europe as an ip address from countries such as India might be viewed as suspicious.

You can use this technique for ANY CPA niche you want.

For example, take a look at the following CPA Health offers below.

MIRACET

This is a CPA offer aimed at people who want to stop smoking.

Here is a smoking forum you might want to target.
<http://forum.nosmokingday.org.uk/>

There are a ton of PLR e-books you can purchase on "stop smoking" and simply convert them into a short report, and plug in your CPA Offer.

You will then need to simply create a report or get someone to write an article on how they can stop

smoking – give them general tips and then include your recommended product they used – your CPA offer.

Here is another high CPA offer. This CPA offer pays \$45.00 and is aimed at women.

The image is a promotional banner for 'Idol Lips Lip Plumper'. On the left, a woman with long brown hair and sunglasses is shown. The text 'Idol Lips Lip Plumper' is in the top left. The main headline reads 'Get Perfectly Sexy Celebrity Lips in Seconds!'. Below this, three bullet points list benefits: 'Get Sexier Fuller Lips', 'Feel More Confident and Powerful', and 'Easy To Apply and Works in Seconds'. A 'USA' seal is also present. A large pink button says 'CLAIM YOUR PACKAGE NOW!'. On the right, a dark blue form titled 'WHERE DO WE SEND YOUR ORDER' contains fields for First Name, Last Name, Country (set to United Kingdom), Street Address, City, State/Province, Zip/Postal Code, E-mail, and Telephone. A pink button at the bottom right says 'RUSH MY ORDER'. At the very bottom, two small boxes contain the text 'I Get the Plump Lips You've Always Wanted!' and 'Lip Plumping Media'.

Again, there are a ton of forums targeted towards Beauty, according to Big Boards.

You can do the same thing here too. Look for some cheap PLR material on women's lips and then simply rebrand it, and plug in your own CPA offer.

You can then set up a simple squeeze page and rinse and repeat the method I outlined above.

Forums are excellent when it comes to leveraging this method because you can virtually start making a ton of CPA cash on complete autopilot.

The more people you direct to your squeeze page and the more people that download your “super duper” FREE report the more chance you will be making CPA money.

This is exactly what I have been doing for months. All you have to do is take a look at the number of people using a signature on the Warrior Forum. How many people are building a list on Autopilot using the WF, thanks to their signature?

Remember with this technique you are finding a bunch of people that are passionate about something. You are not directly taking them to your CPA offer.

By directing them to your squeeze page and offering something for FREE you are making them take “action” by forcing them to enter their email address.

With high paying offers like these you only need 2 sign ups a day to start making \$100 a day.

There are a ton of different forums for almost any niche online. Outsourcing this system will save you a ton of time and will help you focus more on other things.

Using YouTube

Youtube is another way you can use this method by simply creating videos based on the keyword of the CPA offer you are going to be promoting.

For example, let's say you wanted to promote the CPA offer below.

The screenshot shows the Venapro website with a navigation bar at the top containing links: Home, About Us, How it Works, Ingredients, FAQ, Contact Us, and an ORDER NOW button. The main banner features the Venapro logo, the text 'Hemorrhoids Relief Formula', and a couple embracing. Below the banner, there are images of the product bottles and a 'FREE Bottle Offer on Select Packages' banner. To the right, a 'LIMITED TIME OFFER!' section contains a form with fields for First Name, Last Name, Country (set to United Kingdom), Street Address, City, State/Province, Zip/Postal Code, E-mail, and Telephone. A large orange 'CONTINUE' button is at the bottom of the form. Below the main banner, there are sections for 'What Doctors are Saying' and 'Happy Customers'.

The first thing we need to do is take a look at the keyword of the CPA offer.

The main keywords are Hemorrhoids and Venapro. Venapro is obviously the brand name of the product and the other keyword is the actual problem people have.

The first thing I would do is head over to [Google Keyword Selector tool](#) and see how much competition there is for this keyword.

I am going to type in “venapro hemorrhoids treatment” and see what comes up.

As you can see there are over 800+ results for this keyword on Youtube.

Getting on Youtube first page is pretty easy. All you need it lots of likes and lots of views.

Creating the video for this keyword would be easy. Simply download [Windows Movie Maker](#) or [Animoto](#).

Once you have created your video make sure your video title contains the main keywords and then start driving traffic to your video.

I usually use Fiverr Gigs to drive traffic to my videos and eventually my video always ends up appearing on the search engines.

Here are some really cool Gigs you can check out for your Youtube video.

Another option is simply to contact existing Video owners on Youtube.

If existing video owners do not have a URL link next to their video offer to donate \$10.00 a month to them in exchange for your squeeze page link next to their video.

Remember you do not directly want to link your CPA offer but your squeeze page. People love downloading FREE stuff and by doing this you will be building a list and also building credibility.
